TUESDAY JULY 22

PICK OF THE DAY

✂ ✂ ✂ ✂
WALK LIKE A MAN
7.30pm, SBS

[Fabulous doco](#) about a gay rugby union tournament named in honour of the gay rugby union player who was instrumental in diverting Flight 93 from crashing into the Capitol on September 11, 2001. That's the background. The current reality is even more inspiring.

★★★
**THE DAILY SHOW/
THE COLBERT REPORT**
6.30pm, Comedy Channel

We may not always get the specifics, but gags about cynical and/or incompetent politicians and their press counterparts have a certain universality. In a new timeslot, this classic satire feels fresher and more relevant than ever.

★★☆
DINOSAURS ON ICE
8.30pm, ABC1

Nerds will be intrigued by this tale of digging for dinosaur bones in the Arctic Circle. The "Aussie" palaeontologist, especially, (although he clearly originates from North America) is deeply eccentric and the science hard-core.
